# WHITEPAPER

## Welcome to the Revolution: Wall Street Memes \$WSM

Prepare for takeoff as we introduce you to the most electrifying crypto project of our time. Wall Street Memes (WSM) has risen from the ashes of the legendary GameStop saga, where a band of fearless individual investors stood tall against the mighty Wall Street giants. Now, we're here to rewrite the rules of finance with one powerful weapon: MEMES!

🌟 Our mission is clear: to empower the everyday degen and disrupt the traditional financial landscape. We believe that memes have the extraordinary power to unite, inspire, and challenge the status quo. Through the magic of decentralization, we're creating a movement that puts the control back into the hands of the people, where it rightfully belongs.

👉 We're charting an exhilarating course towards success. We're building more than just a token; we're forging an unstoppable community. Together, we'll establish a solid foundation, launch our token with a bang, and aim for unprecedented growth and market capitalization.

🌟 But this journey isn't about financial gains – it's about reshaping the world of finance with laughter, unity, and the indomitable strength of memes. We're rewriting the narrative of Wall Street, infusing it with the power of the internet's triumph over rampant capitalism. The era of "Greed is good" was version 1.0, and makes room for a new era of financial empowerment for all.

🌟 So, meme warriors, strap in and hold on tight as we redefine what it means to be a part of the financial world. Together, we'll create a future where the little guy triumphs, where laughter breaks down barriers, and where unity propels us to heights previously unimaginable.

👉 With the brand power of Wall Street Memes (WSM) leading the way, there's no limit to what we can achieve. Get ready to embrace the power of memes and let's rewrite history together!

🚀 **The revolution starts now!** 💪

# TOKENOMICS

## Fueling the Revolution with \$WSM

Welcome to the heart of the Wall Street Memes movement, where we turn the tables on Wall Street's manipulative antics and empower the ordinary person on the street. Let's dive into the tokenomics of our audacious \$WSM token, the ultimate expression of the internet's triumph over the capitalists. Get ready to embrace the power of the movement!

### Presale Allocation

During our presale, you'll have the golden opportunity to grab your own slice of the \$WSM token pie. Secure your spot in the meme revolution early!

- **50% Marketing:** We'll never rest on our laurels. Wall Street Memes is already a strong brand but we're still allocating serious funds to marketing campaigns to ensure we're visible everywhere, that we continue to grow our social channels, and that we recruit the best ambassadors.
- **30% Community Rewards:** We believe in rewarding our loyal meme warriors. Through our generous community rewards program, we'll shower you with rewards, making sure your dedication and support never go unnoticed. Your memes deserve to be celebrated!
- **10% CEX Liquidity:** We're all about liquidity, baby! With 10% of our token allocation dedicated to centralized exchange (CEX) liquidity, we'll ensure that tokens flow freely, allowing you to unleash the full force of your wallet.
- **10% DEX Liquidity:** Decentralization is the name of the game. We're allocating 10% of our tokens to decentralized exchange (DEX) liquidity, ensuring that \$WSM is readily accessible to everyone in the meme-loving community.

Join the Wall Street Memes army today and let's rewrite the rules of the financial game together. Remember, greed is good, and we're here to prove it. Unleash the memes, fuel the revolution, and let Wall Street tremble in the face of our unstoppable meme power. Together, we'll conquer the financial world, one meme at a time. Let the movement begin! 💪💰🚀

# ROADMAP

## 3 Phases: We Meme Business

Together, we'll show the world that Wall Street Memes is here to stay and we have a clear roadmap to guide us on this journey.

**Phase 1: Foundation** will focus on developing a secure smart contract, building a strong community, and launching our comprehensive branding and marketing campaign.

**Phase 2: Launch** will witness the official liftoff of the \$WSM token, strategic partnerships, listings on DEXs and CEXs, and awareness campaigns to take Wall Street Memes mainstream.

**Phase 3: Community Empowerment** will unlock exclusive benefits for our community, achieve a \$1 billion market capitalization, and secure listings on top-tier CEXs.

# PHASE 1: FOUNDATION

- **Smart Contract Development:** Secure and audited smart contract for \$WSM token to ensure transparency and trust.
- **Community Building:** Twitter, Telegram, Discord, Instagram - Get ready for the hype train with a strong and engaged WSM community.
- **Branding and Marketing:** Spread the word about Wall Street Memes with a comprehensive marketing campaign backed by professional marketers. Let's go viral!
- **Merchandise and Swag:** Rock the WSM style with branded merchandise and swag. Show off your Wall Street Memes pride!

# PHASE 2: LAUNCH

- 🚀 **Token Launch:** Wall Street Memes (WSM) token officially takes off. Get ready for liftoff!
- 👉 **Partnerships:** Collaborate with meme creators, influencers, and content platforms. Let's join forces and spread the Wall Street Memes movement!
- 💰 **Token Listings:** Launch \$WSM token on popular DEXs with ample liquidity and accessibility. Trade with ease.
- 💎 **Exchange Listings:** Level up our trading game with listings on established CEXs. Reach more people.
- 🌐 **Awareness Campaigns:** Take the Wall Street Memes revolution mainstream. Media, influencers, and popular platforms, we're coming for you!

# PHASE 3:

## COMMUNITY EMPOWERMENT

- 🔒 **Gated Community:** Unlock exclusive benefits in the WSM gated community. Early updates, exclusive content, and interactive experiences await you!
- 🌟 **Market Cap Goal:** Aim high, we're targeting \$1 billion market capitalization. Let's show the world the true power of Wall Street Memes!
- 🚀 **Tier 1 CEX Listings:** Get listed on top-tier CEXs. Boost liquidity, accessibility, and reach for all Wall Street Memes warriors!

## **Disclaimer: Not Financial Advice**

Hold onto your moon boots, fellow memers! Before we embark on this wild ride with Wall Street Memes (WSM), let's take a moment to remember that the cryptocurrency market can be as volatile as a bull in a china shop. While we're all about spreading laughter, unity, and the strength of memes, it's essential to acknowledge the risks involved.

First and foremost, please remember that WSM is not your financial advisor. We can't guarantee astronomical gains or predict the future of the market. Investing in cryptocurrencies is like riding a rollercoaster - thrilling, unpredictable, and sometimes stomach-churning. Only invest what you're comfortable with losing, because, hey, memes may be powerful, but they're not a get-rich-quick scheme.

Furthermore, the crypto space can be a breeding ground for scammers and fraudsters lurking in the shadows. Watch out for impersonators, rugpulls, and suspicious schemes claiming to be associated with Wall Street Memes. Always double-check official channels and resist the temptation to fall for fake promises.

Remember, the GameStop saga was a moment of rebellion against the status quo, but it doesn't guarantee smooth sailing for every project. Our comprehensive roadmap is designed to navigate the stormy seas, but bumps and waves may still lie ahead. Keep your meme shields up and stay informed about the latest updates and developments.

In summary, Wall Street Memes is an exhilarating project that aims to reshape the world of finance with the power of memes. However, just as memes can go viral or fade into oblivion, the value of cryptocurrencies can fluctuate wildly. So buckle up, do your own research, and join us on this incredible journey with caution, a sense of humour, and a keen eye for opportunity.

Let's show the world what the meme community is capable of! Together, we'll weather the storms and create a new era of financial empowerment. Get ready to meme your way to the moon! 🚀🌕
